

HOW WE SUPPORT G/CLOS:

- ▶ **Educational content for community newsletters, webinars, and events:** a traveler's needs change depending on the unique type and duration of TDY. Ensure your community has the tailored information it needs by requesting specific content materials.
- ▶ **Community Webinars:** we've hosted multiple webinars for all types of Department of State TDYs. Request a customized webinar for your community according to their specific needs.
- ▶ **Informational Sessions:** Deepen your understanding of proper per diem usage, temporary duty, and our services for the Foreign Service to find clear answers for your community.
- ▶ **Arrange a D.C. event:** whether it's community coffees, happy hour, or lunch-and-learns, we'd love to connect about returning to the U.S. amidst life overseas. You set the stage and we'll engage!
- ▶ **Event Sponsorship:** Your schedule, our support. We'd love to partner with you to demonstrate your commitment to supporting the Foreign Service community and EFM businesses.
