

EVAC PER DIEM

EVAC Per Diem (DOS) applies when an employee is evacuated to Washington, D.C. or an authorized safehaven; it is not intended to fully reimburse, and normal family living expenses remain the employee's responsibility. Payable up to 180 days or until DOS ends it, the employee receives 100% of GSA locality per diem, or 150% when a "special family composition" applies (first evacuee plus specified non-spouse/non-partner family members); additional evacuees receive only a portion of M&IE. EVAC begins the day after arrival at the safehaven, and taxes are reimbursable.

About TDY Rentals for EVAC

When you're evacuated to D.C. (or an authorized safehaven), we move fast: confirm EVAC start (the day after you arrive), secure compliant lodging, deliver and assemble before you get there, and provide a tidy, JTR/DSSR-friendly packet—taxes separated for reimbursement.
